However, we have reserved 30 of the 40 enrollment slots (at each session) for children from these three zip codes (10 slots per each zip code) until May 30th. At that time, any available slots will be made available to all. Please call for additional information. If you are in need of financial aid, scholarships are also being offered with a separate application to other camps.

Can I register for both sessions? To insure that camps are available to as many as possible, we can wait list you for enrollment in an additional session and contact you if space is available.
